Uni-Tip™ Universal Pipet Tips

Racked pipet tips allow the user to mount pipet tips in one efficient motion. The rack design features a seamless bottom that does not "breathe in" bench debris and contaminate tips when rack lid is opened. Racks are autoclavable at 250° F for 15 minutes at 15 psi.

Economical Alternatives to Brand Name Pipet Tips

Made from virgin, non-wettable polypropylene, these tips are designed to replace specific manufacturer's tips.

For easy selection of replacement tips for your particular brand pipetter:

1. Find the brand you are currently using on the chart below. Example: Eppendorf®.
2. Find the tip volume. Example: 1-100 uL
3. Find the Tip Code at the bottom of the chart and use the code to locate the diagram and catalog number for the replacement tip in the charts on the following pages.

Equivalent pipet tips are available in bulk packaging (bagged) or racked

Bulk 1000/Bag

Bag

Rack

Racks are autoclavable to 250° F for 15 minutes at 15 psi

Ultra-Micro Pipet Tips

Designed to fit the full range of Eppendorf®, Pipetman™ and Oxford® Benchmate® Ultra Micro Pipetters. Thin, tapered delivery end eliminates carryover during pipetting. Manufactured with natural virgin polypropylene and warranted to be trace metal free. Racked pipet tips allow the user to mount pipet tips in one efficient motion. The rack design features a seamless bottom that does not “breathe in” bench debris and contaminate tips when rack lid is opened. Racks are autoclavable at 250° F for 15 minutes at 15 psi.

Siliconized Pipet Tips

Universal fit that will provide an absolute seal on these single channel pipettors. **Siliconized Pipet Tips** are not recommended for autoclaving.

Siliconized Pipet Tips Benefits:

- Specially formatted siliconized polypropylene to help eliminate sample residue and cross-contamination
- Allows for precise and complete sample delivery
- Ideal for use in DNA and Thermal Cycling Procedures
- Low adhesion surface assures complete transfer of samples
- Prevents protein or nucleic acid adherence
